PARKZICHT

Hotel Parkzicht is a comfortable family hotel with a long tradition of catering for tourists. It provides a warm personal welcome, a hospitable atmosphere and rooms that have all modern conveniences. 21 Rooms are with air-conditioning.

The town of Veendam has more to offer than one might think. The first thing that strikes, are the rural and idyllic surroundings with a pastoral landscape.

In the centre of the town you will find the cozy Hotel Parkzicht. Situated in front of nice shops and the "Veenkoloniaal Streekmuseum", a museum that keeps alive the memory of the former communities. At a walking distance you will find a subtropical swimming paradise. And at a distance of five minutes by car you can play a ball at a beautiful golf-course with eighteen holes.
